Helping children learn, develop and grow in an atmosphere based on Christian principles and morals.

Forest Grove Preschool has been in operation since 1986. Our experienced staff implement programs which are designed to help children learn and develop in an atmosphere based on Christian principles and morals.

Our classrooms are equipped with imaginative play areas, sandboxes, various learning centres, toys, games, puzzles and books.

In this environment we are able to help your child develop in four key skill areas...

- Motor Skills
- Social Skills
- Intellectual Skills
- Spiritual Skills

MOTOR SKILLS

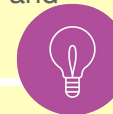

We focus on fine motor skills through puzzles, beading, painting, cutting, gluing and other activities.

We focus on gross motor skills through gym activities.

INTELLECTUAL SKILLS

Your child will be exposed to new ideas and experiences through a variety of activities and themes. The goal of this program is for your child to be exposed to (not necessarily master) concepts of colors, shapes, numbers, and letters.

SOCIAL SKILLS

Your child will learn to interact with peers in a group setting and take direction from adults other than their parents/caregivers. Your child will find school a good and fun place to be and will develop curiosity, cooperation and kindergarten readiness.

SPIRITUAL SKILLS

Through the programs offered at Forest Grove Preschool, your child will be exposed to some basic teachings of the Christian faith as laid out in the Bible.

DAILY SCHEDULE:

Although our schedule may change from day to day, your child will normally engage in: a welcome time and free play, circle time (including activities, stories, games, teaching and songs, all related to the monthly theme), craft time, playing in the gym, a snack, and a closing time.

Our goal is to provide a safe, fun and welcoming environment for your child to learn and grow.
