

GROVE YOUTH

leader roles

Being a part of a team is an awesome way to get involved at GroveYouth. There are a few differences in teams between Jr. High and Sr. High. At Jr. High, leaders can choose to be a small group leader, or on the program team, or on the media team. At Sr. High, leaders can choose to be involved as a small group leader as well as on another team. Any leader can be involved with the worship team regardless of their other roles.

SMALL GROUP LEADER

Can also join the program or media team at Sr. High

Small group leaders are split into groups of two or three and assigned anywhere from 5-15 kids to build relationship with throughout the year. Sometimes these groups change from year to year and sometimes they stay the same, even moving from Jr. High to Sr. High. As a small group leader, you are a spiritual leader to your kids and help them to know, experience, and follow Jesus in your time with them.

PROGRAM TEAM

Can also be a small group leader at Sr. High

There are many possibilities when being involved on the program team. This could look like helping to plan the games, running games from the front, setting up, gathering supplies, etc. This team is overseen by the Program Coordinator(s).

WORSHIP TEAM

Can also be a on another team

Our worship teams have the important job of leading students in a time of response after the teaching time. We are always looking for more people who play various instruments to join our teams. Depending on the amount of people and instruments played, the Worship Coordinator will choose to place teams on a rotation or have specific instruments each week.

MEDIA TEAM

Can also be a small group leader at Sr. High

The media team is responsible for capturing and enhancing our youth nights! Roles include photographers (using their own or the church camera but ALWAYS using the youth SD card so photos can be posted the day after the event), Instagrammers to post on the feed and in the story, and projection/sound techs. This team may also be on a rotation depending on how many people want to be involved.

SR. HIGH HOSPITALITY TEAM

This team is unique as it has varying responsibilities throughout the youth night. Because of this, hospitality team members **can not** be small group leaders. Every youth night, this team is responsible for decorating, welcoming students/taking attendance, preparing coffee/other drinks on coffee nights, making and serving snack, and writing postcards to new students. Jr. High does not have a hospitality team because the High School LITs take over these responsibilities on Friday nights.
